

CuroCell® A4 OP10

A fully automatic and flexible
alternating pressure mattress overlay
system with integrated heel fuction

CuroCell® A4 OP10 with cover Stone

CuroCell® A4 OP10

The CuroCell® A4 OP10 provides simplicity together with user comfort while effectively aiding in the prevention and treatment of pressure ulcers/pressure injuries up to and including category 4, and unclassified pressure ulcers. It is designed for simplicity and provides features for excellent user comfort, reduction of shear forces and improvement of the microclimate.

The CuroCell® A4 OP10 mattress system includes an intelligent pump with a user-friendly interface. It is fully automatic without need for manual settings. The system identifies the user and automatically manages all settings to optimise the pressure according to the user's needs.

All mattresses are supplied with a four way stretch hygienic cover which meets standards for hygiene⁽³⁾, quality and safety. All covers are manufactured from modern, recyclable materials and are vapour permeable⁽⁴⁾, which reduce the risk of skin maceration.

OPTIONAL

- Durable bag
- Sheet holder

SIZES

80/85/90/x/200/210 x 10 cm
